St. Gregory's Got Your Back!

Backpack that is! The Long Beach Rescue Mission partners with local schools to supply and distribute thousands of back-packs filled with supplies to local middle schools to distribute to those who need them most.

Our goal is for St. Gregory's to provide at least 50 of these filled backpacks to help students start the year off prepared. The list of supplies is very specific so please do not add extra items. The backpacks ***MUST BE SOLID*** color. Please Do Not get a rolling backpack.

We will have a display table set up in the Parish Hall beginning July 21st. We will collect items thru August 11th. All donations are greatly appreciated. Please place supplies in our barrel on Sundays or drop them off at the church office.

Let's give the wonderful students of Long Beach a good
